

Chemical Technician - Sydney

The Position

-  **Sydney-based**
-  **Full-time**
-  **Chemical Technician**

Advanced Analytical Australia Pty Ltd, one of the leading commercial laboratories located in North Ryde, provides a broad range of analytical services in the field of environmental, food, agrichemical, biopharmaceutical and bioanalytical industries throughout Australia and overseas.

Due to the ongoing expansion of our business, we are looking to appoint a suitably qualified candidate to the position of Chemical Technician.

The key duties will involve the preparation of a wide variety of samples from the environmental, food, agrichemical and biopharmaceutical industries requiring analysis of low-level chemical contaminants. We are looking for an enthusiastic, quick learner looking to use their technical skills. A suitable TAFE qualification or higher and/or with existing chemical preparation experience. Previous experience in a NATA accredited facility and/or AS ISO/IEC 17025 standards will be highly regarded.

The salary will be commensurate with appropriate experience.

How to Apply?

Please send your application, including resume, to Daniel Um, Operations Manager, either by:

-  E-mail: daniel.um@advancedanalytical.com.au
-  Fax: 02 9888 9577
-  Mail: 11 Julius Avenue, North Ryde, NSW 2113

Or, for more information, phone: 02 9888 9077

Applications close on Friday, 11th of July 2008.
